

# Course Outline for Spring 2019 Language Course

講座番号  
Course NO.

0210

course title <0210> Advanced Discussion

day, dates, and time Wednesdays 19:10 to 20:40, Apr 17 to July 17  
Sophia University Yotsuya Campus

instructor Jeff Hoskins  
ph 080-5077-8628 email jeffhoskins1@gmail.com

## course description

This course will feature extensive conversation and discussion with the instructor and classmates on enjoyable and timely subjects plus some attention to speaking and interaction sub-skills. Participants will research and summarize texts and prepare questions to serve as the basis for in-class discussions. In the classroom, our learning will be facilitated by direct interaction as we share and respond to ideas. Our main goal is to gain experience and a sense of efficacy in English language speaking situations.

## teaching plan for each class

No.	Lecture parts or topics	Materials
